## Questions?

Contact Joni Briola  
jonibriola@centura.org  
or 719-776-8115

The Colorado Instructor Course series was developed through the Colorado Dept. of Public Health and Environment Emergency Medical and Trauma Services Branch.

**Students attending both days of the course will receive course completion certificates for:**

### Colorado EMS Skill Instructor

Designed to help instructors aid in competency-based learning in laboratory, scenario, and simulation settings, as well as evaluating learner competency in formal testing situations

### Colorado EMS Primary Instructor

Designed to develop core competencies for preparing, delivering and evaluating initial EMS classroom and continuing education instruction.

### Colorado EMS Administrator Orientation

Designed to orient current and future EMS education program administrators and coordinators to the rules, regulations, and policies governing EMS education programs both Nationally and in Colorado.

## Target Audience:

Anyone interested in teaching PreHospital-based educational content at either the initial EMS education level or for PreHospital continuing education offerings.
